Union Knights and Damsels!

Many of you are looking forward to the fall—as we are too. This letter provides important information to help with the transition from elementary to secondary. First of all, please make plans to attend the Class of 2022 Orientation Picnic on August 22. An official invitation is enclosed. Make sure to RSVP by August 8.

Union continues to invest in you by investing in technology. All incoming students will have the opportunity to receive a district-owned Chromebook assigned exclusively to them in addition to using their own devices. First time users must have a parent/guardian sign and return the usage agreement form in person. For your convenience you may do this the night of the Orientation Picnic. Please make special note of the following:

1. You may purchase an optional insurance agreement for the Chromebook that includes a FREE protective case.
2. You must agree to the Acceptable Use Policy before accessing the internet at school—whether or not you get a Chromebook.

Both of these documents are enclosed.

Your class schedule was mailed earlier this month. If you didn't receive one, don't worry. You will get one for the first day of school.

Enjoy the last few weeks of summer. Our 7th Grade "race" will start soon; let's hope for a good start and a great finish!

Let us know when you have questions,

Mark Schlosser
